donace@promotionalproductsandideas.com

They look amazingly tasty,
yet they are 0 calorie and made of 100 % cotton...

When you unpack these dainty deserts, you will find our unique and high-quality towels suitable for every day use.

Each cake is carefully hand-made, and every design is thoughtfully created. They make the perfect gifts for all occasions and eye-catching decorations that pleasantly color up your surroundings.

What distinguish us from others

We make effort to protect the environment. Our towels are all made of 100 % cotton (formaldehyde-free), and instead of using dyes that are harmful to our health, we use non-toxic, lead-free dyes.

We reduce unnecessary non-recyclable materials when we design and produce these towel cakes. Most of our packaging are made of recycled materials, or can be recycled after use.

We understand the importance of being **eco-friendly**, please support our effort.
